Dear Sgt Rivera-Maclin HR.

I've seen an online post that your company needed a production worker, and I like to apply for a position on your company as a production worker that you have available. With my wealth of experience along with my work ethic and skill capabilities, I believe I could be a great asset to you and your company.

I am extremely constant use in everything I do and I always ensure that jobs are done completely and correctly with no oversights.

If given the chance I am confident that I can fulfill all the duties that this position requires. I look forward to discussing all this matter further and will be available anytime you would like to talk or meet. Thank you for your time and consideration.

Respectfully yours,

CARL ANGELO S. VILLAFRANCA
